

Access Humboldt Members' Survey

Please fill out this short questionnaire! The results will help us determine the following:

A) how to improve our courses, equipment rentals, production services, and available software;

B) what other courses, equipment rentals, production services, and software to offer to members.

Today's Course

What course did you take today?

Community Media Center Orientation	Basic Studio Certification	Basic Field Certification	Other (write title below)

Why did you want to take this course?

How would you rate this course?

Very Good	Good	Fair	Bad	Very Bad

Why? How could this class be improved, in your opinion?

The Community Media Center

How do you plan to use the Community Media Center?

	Definitely	Probably	Maybe	Probably Not	Definitely Not

Are there any kinds of courses you might be interested in taking that are not listed in the previous table? If so, what are they?

Your Resources and Skills

What kinds of computers and other computer equipment (printers, scanners, etc.) do you have regular access to, outside of Access Humboldt?

What kinds of audiovisual equipment (cameras, microphones, recorders, etc.) do you have regular access to, outside of Access Humboldt?

What computer operating systems are you comfortable using?

	Very comfortable	Comfortable	A little comfortable	Not very comfortable	Not at all comfortable
Linux					
Macintosh					
Windows					

Do you use any other operating systems not listed in the previous table? If so, what are they?

What audiovisual, computer (hardware or software), and/or digital media skills do you have?

Would you potentially be willing to teach a course or participate in a skill-share to help others learn the skills that you have?

What skills would you like to learn, and to what technical level (familiar? comfortable? professional? expert?) would you like to learn them?

What kinds of projects do you want to work on with these skills?

Any other comments about our courses, production services, equipment rentals, etc.?

Thanks for completing the survey! We hope to see you at the studio in the future!
